

DEAR PRAYING FRIENDS & FAMILY:

... we pray you're all safe and blessed. Just want to let you all know we are safe from the big earthquake that the country experienced last Monday and the days following. But please continue to pray...we were shaken really. Like earthquake hit the three big islands (Luzon, Visayas & Mindanao) one after another. About 18 people died & 7 more missing plus 100 plus wounded when a mall filled with shoppers collapsed at Porac, Pampanga - northern part of Luzon.

Mindoro island was spared... **PRAISE GOD.**

We thank God for the outreach we

had at the community where most of our sponsored students comes from. We had evangelism, feeding program plus talks on basic healthcare & distribution of health kits. It was special for us because we felt the urgency to preach the good news amidst all that is happening in and around us. We had to cross a river & climb up a mountain to reach our people, praise God for sustaining us. We had the opportunity to also meet their parents.

Please join us in praying for provision as another school year will begin on the first week of June. Thank you and may God bless you all!

Love from,
Danny & Lily
