

7th December 2017

Dear St. Peter Family,

Greetings to you in the precious name of our Lord Jesus Christ.

First of all, we'd like to thank you and appreciate all your prayer, help and support us for us in this ministry of our Lord Jesus here in Tondo, Manila. We are so grateful to tell you that families, youth and children are coming to the Lord. God bless you more for partnering with us in propagating the good news of the gospel of Christ.

Merry Christmas and a Prosperous New Year to all.

It is a few more days to go before Christmas. Children are all excited about their upcoming *Christmas Party Celebration and Bless A Child Program on December 16 (Saturday) 2017*. We provide them tickets for their food and gifts. They are looking forward to that day.

It really feels good to see someone being blessed, especially these unfortunate children, who are so happy and excited in receiving their gifts from us as a token of love for them.

That's all for now.

A BLESSED NEW YEAR TO YOU

In Christ,
Ptr. Ric Mendoza
