

16<sup>th</sup> February 2018

Dear St. Peter Family,

Greetings to you in the Precious Name of our Lord Jesus Christ.

May God's abounding blessings be upon you!

First of all, Happy Hearts Day to all of you. Hope you enjoyed & celebrated with your love ones.

Thank you so much for your love, cares, prayers and continuous support in this ministry of the Lord here in Tondo, Manila. You are really a great blessing and encouragement to us to pursue and continue in our service with the Lord. May the Lord bless you more.

Secondly, we always had a good Sunday Service. Our Lord moves in the everyday lives of the church members. During Wednesday we had our prayer meeting at our house and some refreshments after our prayer intercession.

Thirdly, kindly pray for our kids because there's a "MEASLE'S OUTBREAK" in our country today. Even though this, children are faithfully attending the Children Outreach. We keep praying for their protection. According to the news: there are some kids who already died. Please keep them in prayers thanks!

Finally, God is moving in our midst. He is protecting us from any works of the enemy. Though there are many killings and outbreaks of sickness, God is with us.

Your prayers and continuous support helps us a lot to move-on and continue in the ministry of the Lord Jesus Christ in this endeavour.

May our God bless you more as you keep on partnering us in this ministry our Lord Jesus Christ.

To God all be the Glory, Honour and Praises.

In Christ,

Pastor Ric V. Mendoza  
Senior Pastor - R.O.G.
