From Pastor Ricardo Mendoza

30 October 2018

Dear St. Peter Family,

Greetings to you in the precious name of our Lord Jesus-Christ. May His bountiful blessings abound in you.

Brethren, you have been such a great blessing to the ministry of our Lord especially in the life of the people here in Tondo, particularly those indigent children. Thank you so much for your lovingkindness, prayers & continuous support in the ministry of the Lord Jesus-Christ.

On the 3rd week of November (Sunday), we will be celebrating our Church Anniversary thanking our God for his faithfulness & goodness to every one of us.

Then, since Yuletide season is coming this December. We are looking forward this Christmas to bless this kids who regularly present in our Saturdays Children Outreach. We have a "BLESS A CHILD PROGRAM" religiously every December just to bless this kids by giving them some gifts and food to share with - spaghetti, hamburger and juices, and they will have some games to Celebrate the Christmas season.

We are allocating P200 pesos for each kid. There are 200 kids (indigent) that we're ministering every Saturdays. If God touches your heart to bless these indigent children kindly help us raise fund for them. May God bless you.

Please keep us in your prayers. Typhoon Rosita is now in Philippine Area of Responsibility and will fall tomorrow (Wed 30 Oct) morning at 5 am. it's on the northern part but parts of Metro Manila will be affected.

Thank you so much for your love & prayers. God bless you more.

In Christ,  
Pstr. Ric Mendoza
