

# PASTORAL CARE *Networks*

Our Pastoral Care Networks are strong, multilayered, and at times informal and organic.

## Minister and Elders

Provide spiritual direction and leadership for the congregation as a whole. Available for formal visits with parishioners from time to time.

## Pastoral Care Coordinator

Keeps communication lines open between our different Pastoral Care Networks. Liaises with others when formal visiting is required.

## Small Groups

Where genuine and mutual support is offered to one another. For many, the first port of call for Pastoral Care.

## Prayer Sherpherds

Each member of St Peters is assigned to a Prayer Shepherd who make contact with their 'flock' quarterly to gather any prayer needs.

## Rest Home Visitors

Committed to visiting our church members who are now living in full-time care.

## Prayer Chain

Provides confidential prayer support for all members of St Peters.

For formal counselling of individuals and families, contact St Peters House  
[reception@stpetershouse.co.nz](mailto:reception@stpetershouse.co.nz) or call 07 571 5916
