

St Peters Vision Series.

Hello small groupers!

This week we are starting a series looking at our Church Vision and some of the ways we can turn our vision into a reality. Our vision is summed up in the words, 'Christ to the city, the city to Christ.' But the vision is more than words, it is a passion to see us taking our faith into the highways, the streets and alley ways of Tauranga, and seeing people of Tauranga coming to a living faith in Christ.

You might like to think of Jesus saying, 'For God so loved the 'city' that he gave his only son that whoever believes in him should not perish but have eternal life.'

For 2019 we are using 2 words to summarise the outward and inward directions, Witness and Mentor. This first week I want to encourage us all to think about witness in our words; and I want to encourage us to think about taking the chances that we have to mention faith and God in our everyday conversations and especially not to miss the opportunities to say a little.

Question One: when have you recently had a spiritual conversation that went well?

Question Two: When have you recently had a spiritual conversation that didn't go so well?

Question Three: Have you ever tried the questions Simon suggested?

1. What do you mean by that?
2. Where did you get that idea?
3. Have you considered?

Question Four: Lee talked about 'just taking one more step', what would that look like for you?

Homework: Is there one person that you would like to pray for this year, that you might get the chance to share your faith with?

God Bless
