

## **St Peters Vision Series. FOUR.**

Hello small groupers!

This week is our last week of concentrated focus on the Church's Vision.

I would like you to reflect in your small group, have you done anything differently because of this series? Would you like to do anything differently? St Peters is you and me, it is what we do that can bring about the fulfilment of the Vision we believe God has given us.

Our vision is summed up in the words, 'Christ to the city, the city to Christ.' What does that mean to you and your small group?

This week I am encouraging all of us to find a Mentor if we don't already have one.

I am providing the example of Moses listening to his father-in-law Jethro, of Elijah and Elisha and of Paul submitting himself to the Elders in Jerusalem.

**Question One:** *Have you ever had a good experience of having a mentor?*

**Question Two:** *Have you had a bad experience of having a mentor?*

**Question Three:** *If you were looking for a new mentor, who would you look for?*

**Question Four:** *How do respond to the ideas Peter talked about?*

**Homework:** *Pray for God to show you a new mentor*

God Bless
